

Troop 303
Webelos Woods Trek
Camp Verdugo Oaks, Angeles National Forest
August 28-30, 2009

OUTING DESCRIPTION: This is a two night and two day car camp at Camp Verdugo Oaks in the Angeles National Forest. There will be other Scout Troops and Webelos I and II Dens and their parents also in Camp. We will be showcasing what we do for Webelos scouts and their parents in the hopes that they will like what they see and continue in Scouting and hopefully bridge to Troop 303. There are several areas in which we will be doing this during the day on Saturday. **This is a mandatory trek for all Scouts that wish to advance – it is necessary for us to recruit future Scouts and their parents. Parent participation is needed for a successful presentation.**

During the day on Saturday, we will be doing the following:

1. In the morning and afternoon, we will be instructing the Webelos on the Showman badge so that they can obtain that badge. A couple of Scouts will be assigned to groups of Webelos as Den Chiefs and the other Scouts will be instructing Scouts on the requirements of the Showman badge;
2. Webelos Scouts and their parents will be assigned to eat with Troop 303 for Saturday lunch and dinner. We will be cooking lunch and dinner for the Webelos and their parents.
3. We will be providing a cracker barrel, along with the other Scout troops, for all Webelos Scouts and their parents.
4. We will have a display on the activities of Troop 303.

On Sunday, we will be cleaning up and then have the opportunity to use the pool and archery and pellet gun ranges.

Meals: We will eat before we leave on Friday evening. We will prepare Saturday and Sunday breakfast on our own. We will prepare Saturday lunch, dinner and cracker barrel for ourselves, the Webelos Scouts and their parents.

Trek Fee: \$22.00 per person includes food, transportation, registration, camping fee and patch.
